

SR 09: SUPPORT FOR TRAY-LESS DINING

Submitted by: Senator Cassy Davidson and President Sammy Nabulsi
Submission Date: 03/04/2009

1. Whereas the UNL Dining staff have found that the current system for the dining halls is causing a high amount of waste; and,
2. Whereas the waste includes but is not limited to; water used to wash trays, the chemicals used on the trays, as well as a large amount of food waste; and,
3. Whereas members of RHA will be affected by the changes that will be implemented by the tray-less program; and,
4. Whereas RHA senators and dining staff have done research by measuring the amount of waste with trays and then without; and,
5. Whereas in the long run this program will benefit the residence of the UNL residence halls, as well as the environment; and,
6. Whereas RHA is dedicated to making the UNL campus more sustainable and environmentally friendly.
7. Be it therefore resolved that RHA support UNL Dining Service's decision to go tray-less; and
8. Be it further resolved that the members of this senate help inform residents of the senate's decision and the reasons for our decision.
